Chalet ARTEMIS

Between our studio building and the shoreline we traditionally run a typical greek wineyard. That’s the place where all activities started and the family lived. We always were enchanted by the amazing landscape of Agios Pavlos when we decided to buy land and develop our studios, although there was no electricity in Agios Pavlos at this time. The nearly triangular shaped architecture of his extraordinary 3 room house, built into the wineyard offers a terrace covered with wine and a big terrace on its roof. We adapted his natural stone floored house. Now the family house is as a guesthouse with two bathrooms and toiletts, a new kitchen and sat-tv. Enjoy the cosyness of a special place.
